## The Plainville Wind Ensemble

Celebrating 30 years of music, The Plainville Wind Ensemble became Plainville's first symphonic community band. As ambassadors of music, the mission of The Plainville Wind Ensemble is to provide an educational, social and performing environment for local musicians in the tradition of the community band. The Ensemble has a unique goal to provide free, family-friendly concerts that often benefit another non-profit organization. The Ensemble has helped groups such as the Lions Club Low Vision project, Cancer Society's Relay for Life, Trinity on Main, Hidden Acres Therapeutic Farm, Reading Well for Kids, "Toys for Tots" and today, the Literary Volunteers of Central Connecticut. Currently, The Ensemble is directed by Ken Bagley.

### Ken Bagley

Mr. Bagley has taught all aspects of instrumental music from beginners to high school, since 1992. He currently serves as the Citywide Music Curriculum Coordinator and teaches instrumental music in Bristol since 1997. Ken holds a Bachelor of Music degree in Music Education from the Hartt School of Music, a Master of Music degree in Wind Conducting from the University of Connecticut, and a 6th Year degree in Educational Leadership from Sacred Heart University. He lives in Avon with his wife and 3 children.

## Plainville Police Department Animal Control Unit

Animal control officers not only enforce state and municipal laws relating to dogs and other companion animals, but provide a protective shelter for abandoned and unwanted animals. Plainville's dedicated staff works diligently to educate the public, find loving homes for the animals that are impounded, and maintain a clean and healthy environment at the pound. Cash donations are welcome at their display table throughout the concert. The proceeds will be used for medications, veterinarian costs, and other incidentals needed to help our furry friends have a second chance for a happy, healthy life.
